UPE – No report given

Vice President Pritchett requested from the Superintendent that the Board receive a formal dollar amount for the cost of public record requests from SCTA. She also asked the Superintendent to remind her and the community the purpose of filing for impasse. Superintendent Aguilar said that we decided to file for impasse; it is part of the negotiations process to seek support and help to e e in and faith bargaining. We see it as a process that we

Member Vang thanked staff, advocates, and parents present. She expressed that she is excited about the work and asked for more information on the advocacy plan for funding. President Ryan suggested the Superintendent speak about ten large urban school districts that are working together with a shared agenda of state advocacy, both with the administration and legislature on special education funding. Superintendent Aguilar said they have had conversations with our entire delegation of elected officials at the state capitol about increasing funding around special education. In addition, we have also signed onto a request from several large urban school districts asking for a meeting with Governor Newsom specifically on this topic as well to make sure that we are addressing what Ms. Ramos mentioned in terms of just the increased costs that are coming to us.
