Approve Resolution No. 2929: Renewal of the Charter for The Met  
Sacramento High School  
March 16, 2017

District staff recommends approval of the charter renewal for The Met Sacramento High School ("The Met") for five (5) years, beginning July 1, 2017 until June 30, 2022 serving students in District property. District originally granted The Met's charter petition for establishment of The Met Sacramento High School. The charter petition has been renewed twice and is now due to expire June 30, 2017. The Met received a charter renewal petition from The Met on January 18, 2017, with a request for a 30-day extension upon 30-day extension of the renewal petition timeline requirements. A meeting was held to consider the level of support for the renewal of the charter for The Met for 2017.

After reviewing the renewal petition and appendix items, District staff provided feedback in numerous areas that needed updates and/or clarification. In response to the feedback, analysis and recommendations, The Met submitted a revised petition and appendix items on February 27, 2017 addressing District staff's concerns.

1) Attained its Academic Performance Index (API) growth target in the prior year or in two of the last three years, or in the aggregate for the prior three years;

- 2) Ranked in deciles 4 to 10, inclusive, on the API in the prior year or in two of the last three years; or

elements are reasonably comprehensive individually and collectively. District staff also assessed that The Met meets the statutory requirements for renewal.

State income and various other income sources to the District are reduced when students living in District boundaries enroll at a charter school. Under Education Code section 47604(c), a school district that grants a charter to a charter school to be operated by, or as, a nonprofit public benefit corporation is not held liable for the charter school's debts or obligations as long as the school district complies with all oversight responsibilities. However, as a dependent charter school of Sacramento City Unified School District, District is liable for the charter school's debts or obligations.

The District will continue to have monitoring and oversight responsibility for the charter school's finances, as specified in the Charter Schools Act.

Any modifications to the Charter School's petition or operations with significant financial implications would require District approval prior to implementation.
