Board of Education Meeting
August 20, 2020 Public Comments

Name Ric Vasquez

Comment I would like to see more of a focus on getting fully qualified educators prior to the school year, every year, so the district may limit what my child and her cohort of classmates lived at Hiram Johnson for Math and Spanish last year which was two teacher vacancies

[REDACTED]

[REDACTED]

to start off their first year of high school. Not engaging at all for some of your most needed help students. This creates negative feeling toward the school site. I thought the basis of an education would be to fill all the vacancies and have the best teachers

local district asking for 77 permits? If they are not asking for even half of that then district need to take a look at itself and do something different. Please change the status
