**Cumulative Enrollment:** Cumulative Enrollment consists of the total number of students who were actively enrolled from the beginning of school through the Report Month. For mobile students, they will be counted in the cumulative enrollment for each school in which they have attended during the school year.

**Suspension Incidents:** Selected population using the available filters.

**Distinct Count of Suspended Students:** Total distinct count of ALL students suspended one or more times. Students who are suspended multiple times are only counted once.

**Suspension Rate:** The Distinct Count of Suspended Students divided by Cumulative Enrollment.

**Percent of Students Suspended with One Suspension:** The number of students with only one suspension divided by the Distinct Count of Suspended Students.

**Percent of Students Suspended with Multiple Suspensions:** The number of students with two or more suspensions divided by the Distinct Count of Suspended Students.
