Vice President Murawski said she haseistigated this, and she has found that no medical professionals have concerns with the safety or efficacy for the emergency use authorization. She cited recommendations for age 12 and up from the CDC and other health organizations. She continued that millions of children in that age range have been vaccinated already withoutaisdure ted that we are in a public health emergency. She supports the resolution as is and strongly recommended the Board to do so as well.

The motion by Second ViceesidentWoo was not passed. It was defeated by a voted of with President Pritchett abstaining.
