- o When District announced MOU with SCTA for Special Education assessments, why do parents need to wait to be contacted? And when does the District plan to meet the deadlines as outlined in CDEj /TT3 1 Tf 1.7s does 4<0003>Tj /TT4 1 Tf .224 0 TD .0019 d5.9 TD -.2

now to improve services for students forever. Now is the time to make significant investment in our students, especially those with special needs.

x Questions

- o Why is the District not presenting this material? A: Invitation was to SCTA, not District. Topics were not shared as a District discussion item.
- o Why is this to Executive Committee and not entire CAC? A (from CAC board): We wanted this ASAP- no agenda. We did not try to keep this away from the general meeting.
- o Why is SCTA presenting on aspects of SCUSD facilities? A: It was in SCTA's proposal. They have a priority on keeping students safe. It is part of special ed MOU and proposal for reopening.
- o Why does SCUSD not have a list of overdue assessments? A (SCTA): Psychologists and RS Teachers have been asked to provide lists of overdue assessments, and they have provided this. SCTA did not get the final list from the District. A (SCUSD): Our system can't easily track by type of assessment. Working on this.
- o Why no virtual assessments? A (SCTA): We've asked to do them, but we have been told by Becky Bryant not to do them. We are professionals and want to get this done. These would be great even when we are fully back in person. Note, however, that there are some assessments that can't be done virtually. A (SCUSD): Place this on a future agenda so we can discuss in more detail.
- o Why only 20% of assessments done by July? A: 20% per month will get us caught up by July.
- o What can be done to expedite negotiations between SCUSD and SCTA for benefits of students including those with disabilities? A (SCTA): Not trying to debate the District right now. We want to move TD .0015 Tc (are7e5/TT3 99 /TT3 1 Tf .9235 0 TD 0 Tc <0003>Tj /TT

CAC Membership & General Meeting Organization Proposals

- x Decision table to next executive meeting agenda.

Comments for SCUSD Board meeting

- x Kristen to present on Thursday
- x Send all discussion points to Kristen. She will run it by Kenya. No general discussion after this meeting to comply with Brown Act.
- x Discussion items:
 - o Thank the board for working with SCTA
 - o Thank the SCTA for talking with CAC
 - o Encourage District to work on finalizing common assessments too, which are a benchmark to compare with special education
 - o How to allocate one time resources from COVID
 - o Assessment by outside vendors. Do it now rather than wait until we find out we are behind on achieving 20% backlog per month. Ask for the plan – share it with CAC and make sure assessments are part of getting these assessments done.
 - o Some parents are interested in returning. Some are okay with continued distance learning. District should solicit input.
