AD1.01 Responses to Questions

Question 1. Are the 2,026 fixed assets a total for all 58 sites or are there 2,026 assets per site?

Response : 2,026 is the combined total of specific fixed assets for this project.

Question 2. Does the District want the assets to be added into their current system and then/also generate so, what system does the District anticipate using?

Response: The Consultant shall provide the District an inventory of specified fixed assets in excel and pdf format as stated in the Scope of Work of the RFP.

Question 3. The RFP states an Addendum will be issued by 8/29 and responses are due 9/1. Is the District willing to extend the deadline so that vendors can incorporate the information released into our responses?

Response: The District will post responses to questions addenda as quickly as possible to mitigate circumstances prior the deadline to submit. The District does not anticipate the due date being extended.

Question 20. Are the specified Assets located across all 56 locations in Attachment A, or just specific locations/campuses (and/or specific rooms)?

Response: See response to question #1.

Question 21. Will the inventory include entering every room at each campus to find and locate these assets?

Response: Yes, potentially until the specified fixed assets are located.

Question 22. The RFP indicates the district will provide a list of locations and addresses for the assets, and will that list include the room in which the asset is/was last located.

Response: No. The room numbers for specified assets are not known.

Question 23. Do the 2,026 Title I assets have a visibility unique (different) tag style from other tagged fixed assets.

Response: No.

Question 24. Does the district use barcodes tags for all its fixed assets (if so, at what dollar threshold)?

Response: Yes. The fixed asset threshold to be barcoded is \$500 and above.

Question 25. What is the total number of fixed asset across the district? (This is relevant to determine how many items the vendor will have to sift through to find the specific 2,026)

Response: There are over 68,000 fixed assets District-wide, including many categories which ~~are~~ not involved for this inventory.
