Board Comment:

Superintendent Aguilar made some additional comments regarding this item

Member Garcia thanked staff; she noted the compressed timeline and how that made it more difficult to obtain community input. She also thanked the Superintendent for highlighting the valuable input from partnership with PIQE. She asked if there will additionally be identification of students at site level. Mr. Harris responded that principals will provide input as part of a two-step process. Member Garcia asked about the allocation of resources for training and asked when training will happen. Mr. Harris responded that it will be figured out over the next few weeks. Ms. Flores gave more

within each of the three legs of the process. Vice President Murawski gave her thoughts on the role of the Board in this process, and she looks forward to seeing the data. She asked if the data will be available after the Board adopts the plan. Mr. Covington said the data will be available to staff early next week, and he said how it communicates to the community will be brought back to the Board for approval. Vice President Murawski asked what the master plan will entail. Mr. Dames
