ons team presented SCTA with a proposal on the health and safety of
g our schools and responded to the questions and concerns
DirectoJohn Borsos, related to the District's proposal. SCTA also shared its
oints" document, which is a list of the effects of reopening our schools that
believes to be negotiable. The teams have exchanged additional proposals in its
meetings. During the July 10, 2020 meeting, the District's team shared a

- **Assessments and accountability** - Assessments during learning and throughout the school year that evaluate how students are progressing both in the moment and over time to address learning loss before and after the school closure.
- **Support for English Learners** - Designated and integrated instruction in English language development including assessment of progress toward language proficiency and targeted support to access curriculum.

Sincerely,

Jorge A. Aguilar
