

A dressing question and

- 1) Ensure that the contours of the parent figure heard, fully understood, and recognized.
- 2) Clearly explain (GRI) safety and the best way the school. Clarify any nice one epithets there in the focus and age appropriateness of the work.

Research has shown

Keep a list of school
 districts/sites that have also been proactively addressing LGBTQ issues within
 their communities. Share their success stories and the positive impact of their
 work. And build ally relationships with key LGBTQ-inclusion leaders in these
 districts so that you can call upon each other for support.
