RE: Response to April 3 Email Concerning Distance Learning

Dear Mr. Borsos:

Thank you for your email ftqo "; <42'r 0 0'rcuv'pki j v'ugpv'q"vj g'F kwtleva'Ngcf "P gi qvkvqt. Your email, like the SCTA Messenger that you put out to your members on April 3, 2020, contains a number of inaccurate statements, so this email serves to correct those.

I want to reiterate what vj g'F kwtleva'Ej lgh'Cecf go le"Qhleg, Christine Baeta consistently states: we work for our students. During this global pandemic, our focus is to ensure that we develop and implement a distance learning plan that meets the social and emotional and academic needs of all of our students. It is critical that we remember not all of our families are able to compensate for the impacts on student learning during our school closures. The most vulnerable students have the most to lose with any delays to launching a distance learning plan. Our hope is that this health crisis will end soon. The work we put in today to ensure that high quality instruction is taught to our students will set the foundation for us to continue meeting the needs of our students when they come back to school.

Contrary to what you wrote in your messenger, at no point did the Districta'pgi qvkvqpu" team indicate that if you simply removed the paragraphs that posed the greatest concerns would the District accept the remaining terms of your proposal as written. Rather, as was clearly stated kp'vj g'go ck'ltqo "vj g'F kwtleva'regal counsel Raoul Bozio at 4:55 p.m. and then in a subsequent email from the Dkwtleva'Ngcf "P gi qvkvqt'cv'9-34'r 0 Q your proposal contained a number of terms that were not acceptable to the District. To remind you of these exchanges, the emails from Mr. Bozio and Ms. Manwiller are set forth below:
