

SACRAMENTO CITY UNIFIED SCHOOL DISTRICT

Furnishings & Equipment

Project Costs for furnishings and equipment for some or all of the within-identified School District campuses may include, but are not limited to, some or all of the following: security, safety and communication systems and equipment; window and floor coverings (including tiles and carpeting); kitchen equipment; improvements and furnishings; and/or other electronic equipment and systems.

Each project listed is assumed to include its share of costs of the election and bond issuance and other construction-related costs, such as construction management, architectural, engineering, inspection and other planning costs, legal, accounting and similar fees, independent annual financial and performance audits, a customary construction contingency, and other costs incidental to and necessary for completion of the listed projects (whether work is performed by the District or by third parties), including:

Remove, dispose of, and otherwise remediate hazardous materials, including asbestos, lead, etc., where necessary.

Address unforeseen conditions revealed by construction/modernization (including plumbing or gas line breaks, dry rot, seismic, structural, etc.).

Site preparation/restoration in connection with new construction, renovation or remodeling, or installation or removal of relocatable classrooms, including ingress and egress, demolition of existing structures, removing, replacing, or installing irrigation and drainage, utility lines (such as gas lines, water lines, electrical lines, sewer lines, and communication lines), trees and landscaping, relocating fire access roads, traffic lights and mitigation, and acquiring any necessary easements, licenses, or rights of way to the property.

Rental or construction of storage facilities and other space on an interim basis, as needed to accommodate construction materials, equipment, and personnel, and interim classrooms (including relocatables) for students and school functions or other storage for classroom materials displaced during construction.

Acquisition of any of the facilities on the Bond Project List through temporary lease or lease-purchase arrangements, or execute purchase option under a lease for any of these authorized facilities.

Furnishing and equipping of existing and newly constructed, modernized or rehabilitated classrooms and facilities on an ongoing basis, including to replace worn, broken, or out-of-date furniture and equipment for all classrooms, athletic facilities and other facilities, as needed.

For any project involving renovation, modernization, remodeling or rehabilitation of a building or the major portion of a building, the District may proceed with new replacement construction instead (including any necessary demolition), if the Board of Education determines that replacement and new construction is li(onn
