General Overview: How to Search for Student Information in Infinite Campus

To search for a student's household:

General Overview: How to Search for Student Information in Infinite Campus

The screenshot displays the 'Advanced Search' interface for finding household records. At the top, a navigation bar shows 'Year: 13-14' and 'School: Canton Elementary School'. Below this, a search instruction reads: 'Search for a record being tracked in Campus by using search filters. If a filter is selected, it is likely the Saved Filter was created for a context other than the current context. You may search school-wide. NOTE: Census searches only search for records in the current context.' A 'Household' filter is selected. The search form includes the following fields:

- Last Name
- First Name
- Student Number
- Birth Date
- Street Name
- City
- Household Name
- Apt Number
- Home/Other Phone
- Account Number
- Application Name
- Reference Number

A 'Search' button is located at the bottom of the form. The interface also shows a 'Household' dropdown menu with options like 'Apt Number', 'City', and 'Household Name'.
